

# PEARL SCHOOL DOHA

(Under the Supervision of the Ministry of Education and Higher Education, Qatar)

## Child Protection and Health Policy

### Health and Safety

- Pearl School will provide adequate facilities for potable drinking water on each floor.
- Pearl School will provide clean healthy and hygienic toilets on each floor with washing facilities for boys and girls separately in proportion to the number of students. The toilets for the primary students should be separate from other toilets. There should be separate toilets for staff members. Signage Boards will be displayed prominently in the toilets of all categories.
- "The School will scrupulously follow health and hygiene, drinking water, fire safety, building safety and transport precautions check and gender-specific violence.
- At Pearl School the Home Room Teachers and School Nurse periodically spread awareness about the importance of healthy and nutritious food.
- Workshops to provide good health are conducted for faculty and students namely: CPR, Nose bleeding, Hand Washing Techniques, Adolescence and Puberty, Mental Health etc.
- It is the right of all children to receive a safe and holistic environment to develop into individuals with well-rounded personalities. They spend a substantial part of their waking hours in school or classroom, which becomes an important place for shaping their physical and emotional well-being. This will further contribute to their ability to benefit from quality teaching and to realise their full potential! It is, thus, the responsibility of the teacher to ensure well-being of a child by providing a safe and conducive classroom environment and identifying the needs of a student/ child.

### Features of a Safe and Conducive Classroom:

- Mutual respect, not fear or humiliation.
- Encouragement and motivation, not criticism or unconcern.
- Shared responsibility and collaboration.
- Understand the consequences of behaviour, not punishment.
- Foster cooperation and collaboration, not competition.
- Teacher facilitation and leadership, not domination.
- Create a desire to learn from within, not imposed learning.
- Freedom and order, not dictatorship or chaos.

**Safety during Transportation:**

- All school bus drivers and attendants receive their job description and are completely aware of their responsibility in providing secure transportation to students.
- All bus is equipped with a First Aid Box and a mobile phone is provided to attendant for contacting parents and school authorities.
