CODE OF CONDUCT FOR PARENTS AND SCHOOL VISITORS

Pearl School welcomes parents to the school at every opportunity. We hope you find every visit informative and helpful. Our parents recognize that educating is a process that involves partnership between Parents, staff, and the entire school community. The purpose of this document is to provide a reminder to all parents, guardians, and visitors to Pearl School about the expected conduct.

❖ We expect parents, guardians, and visitors to:

- Treat all members of school community with respect and set a good example in their own speech and behavior.
- Understand that school staff and parents need to work together for the benefit of all.
- Clarify a child's version of events with a teacher, in order to bring about a peaceful solution to any issue.
- Correct the child's behavior appropriately, where it could otherwise lead to conflict, aggressive behavior, or unsafe behavior.

❖ Pearl School will not tolerate parents, guardians, and visitors exhibiting the following:

- Disruptive behavior which interferes or threatens to interfere with any of the school's normal operation or activities anywhere on the school premises.
- Using loud or offensive language or displaying temper.
- Damaging and destroying school property.
- Sending abusive or threatening emails, text/voicemail/phone messages or letters.
- Defamatory, offensive or derogatory comments regarding the school or any of the pupils/parents/staff/governors at the school on Facebook or other social network sites. Any concerns should be communicated through relevant channel.
- Threatening to, or cause actual bodily harm to any member of our school community, that includes all staff, parents or pupils, regardless of the reason.
- Chastising someone else's child.
- Smoking, or consuming alcohol or drugs whilst on school property.

If any of these behaviors occur the school may contact the appropriate authorities and, if necessary, ban the offending adult from entering the school grounds.

We trust that parents, guardians and visitors will assist our school with the implementation of this code of conduct and we thank you for your continuing support of the school.

❖ **Pearl School's Staff & Parent Consent:**

All Pearl School staff have a right to work in an environment free from verbal or physical harassment or intimidation of any kind and so we politely ask that you adhere the following points-

- Please always respect all staff, regardless of their ethnicity, background, or position.
- Treat all staff with the courtesy, that you would like to receive yourself.
- Comportment in a professional manner, obey the school rules and remember we are here to help you.

As Mr. James Baldwin had well said that "Children have never been very good at listening to their elders, but they have never failed to imitate them." So we need to set a good example in the way we communicate and interact.

When parents and School staffs work together to support learning children, tend to do better in school.

Let's work together and make the school environment pleasant, productive and enjoyable for everyone who visit here.
